

NOV 1959

Mr. Kenneth E. BeLieu
Staff Director
Committee on Aeronautical
and Space Sciences
United States Senate
Washington 25, D. C.

Dear Mr. BeLieu:

In your letter of 5 November 1959 to Mr. Dulles you forwarded a memorandum from Senator Lyndon B. Johnson to you asking for information pertaining to events south of the border.

I am enclosing for your information and that of the Senator, a preliminary analysis of the material involved. For reasons of which you are aware, we trust that this information can be restricted to Senator Johnson and yourself. When we have reviewed this material further, we can make available some of our people to discuss all aspects of it with you personally.

Sincerely,

Lawrence R. Houston
